

July 2010

Dee is filling in for Dave this month.

### **DEE'S RADIO SHOWS**

Hi, sorry to be so late, but with Dave being out of town, and I've had a share of problems, too, including my little 4-legged and fuzzy-tailed child, who has been sick. I know, excuses, excuses.

Tom Hays continues to overwhelm us with his expertise on restoring radio cabinets (see below):

Pictured above is the "Refrigerator Radio" from the Claude Grey collection. The first picture is the front view, and the second is the rear with the handle raised. Tom did the cabinet, and Mike Lord restored the chassis. Mike featured the chassis in his program last Monday night, which covered the alignment of the All American Five.

Below, Tom and Mike discuss some important topics in our Huffman work shop.

That's all for now. Dave should be back with hundreds of pictures of the beautiful Northwest to share with us.

### **MEETING TIMES**

We meet nearly every Saturday of the month at 09:00 at the Alabama Power Building on Parkway East (aka Centerpoint Parkway) in Huffman. The organization's space is accessed from the rear of the building, so park around the back (by means of Huffman Road, which runs parallel to the Parkway). Entry is via the door on the right.

**Come to the Monday Night Meetings, TOO, on the 4<sup>th</sup> Monday of the month at 7 PM!**

## **FREE ELECTRONICS CLASSES**

The first Saturday of the month, there are electronics classes free to members. Topics include test equipment, Resistors and Capacitance testing, Inductors and coil winding, to name only a few subjects!

We hope to see you there!
