

region artists, and the whole of
friends in Alabama.

NARRATOR

Dr. William Stanley Hoole will act as narrator during the program Friday night, Oct. 30, during which the history of WBRC will be dramatized.

He is known to WBRC listeners as the conductor of the feature, "Leaves in the Wind."

MUSICIAN

Music at WBRC is under the direction of Willie Rushing, widely-known pianist, who has held positions of numerous excellent band.

Rushing has been connected with WBRC for only a short time, but his program work has received the finest comments from radio critics.
