### ***A NOTE FROM THE PREZ***

Well, the Christmas holidays are upon us, so this will be a short newsletter. November was not as busy for Dee and me, as we only had one program at Shades Crest Baptist Church and about 50 people enjoyed the show.

Several of us went to the Montgomery Hamfest on November 8. We went by Pete's on the way and visited, then Renee brought Pete to the Hamfest. Pete saw many friends and made some new ones (see photo below).

We picked up a nice donation from the estate of Al Newton on the 18<sup>th</sup>. Jim Saxon also made a donation to us.

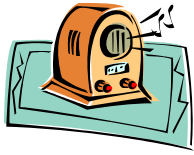

Marvin Shepherd is working on getting our Philharmonic back together, and we are anxious to be able to return it to the museum (see photo below).

Make plans to attend the club's annual Christmas party on December 29 at my house. More details will follow by e-mail and telephone in the next few days.

## **DEE'S RADIO SHOWS**

Dee wishes everyone a Merry Christmas and a Happy New Year. His column will return next month. He did send along a photo of his family with everyone identified. They're a good-looking bunch.

## ***MEETING TIMES***

We meet nearly every Saturday of the month at 09:00 at the Alabama Power Building on Parkway East (aka Centerpoint Parkway) in Huffman. **Come to the Monday Night Meetings, TOO, on the 4<sup>th</sup> Monday of the month at 7 PM!**

## ***FREE ELECTRONICS CLASSES***

The first Saturday of the month, there are electronics classes free to members. Topics include test equipment, Resistors and Capacitance testing, Inductors and coil winding, to name only a few subjects!

We hope to see you there!
